

# **Option 3 Update Instructions:**

We offer option 3 updates for both PartnerPak Studio and Glazier Studio. Update will attempt to upgrade any version of PartnerPak Studio or Glazier Studio. Some reporting data will be lost during this update. If you have a RhinoFAB, do not run this update. Run each previous option 2 until it is up to date.

**Option 3 Update** – Use this version if you want to merge changes with your current program. No projects or custom data will be lost in the process.
